**KALAHARI DUNE LODGE
SOUTH AFRICA**

South Africa, Kalahari Dune Lodge ***** 5-Star Lodge near Vryburg

Situated in the malaria free North West Province of South Africa, the beautiful Kalahari Dune Lodge lies close to the border of Botswana. With over 35 species of plains game and 4 of the big five free roaming there are numerous options for a fulfilling dream safari. The concession spreads out on over 12.000 ha of land and offers stunning views and spectacular sun sets.

Besides the main lodge there are six luxury villas on the property – all closely situated but giving our clients a little private slice of African paradise. Kalahari Dune Lodge is a hub of activity where meals and social activity take place. Our chef serves only the best traditionally prepared South African and international cuisine, ranging from choice venison cuts to the freshest ingredients and any dietary requirements one could have.

After an exciting hunting day we relax around the crackling bonfire while lions are roaring in the distance, have a refreshing bath in the infinity pool or soak in a warm hot tub while drinking one of South Africas award winning wines from our personal selection.

You fly to Johannesburg OR Tambo airport from where you have two options – either take a 90 min charter return flight (additional costs) or we pick you up with our safari jeep and accompany you on a 5 h drive to get to the camp.
